*ERC Proof of Concept Grants provide ERC Grantees with additional funding to explore their idea further, aiming at turning projects outputs into valuable commercial and societal propositions. This session aims to provide further information to those attending the ERC Summit at INL about this grant scheme. The roundtable session will bring together different perspectives on these grants and Veronica Beneitez-Pinero (ERCEA) María J. Vicent, (Centro de Investigación Príncipe Felipe and ERC Grantee) and Marta Catarino (TecMinho, ERC PoC Evaluator) will guide us through the rules and process of proposal submission and evaluation. Participants will have the opportunity of exchanging views and posing questions to the speakers.*
